

Jesus the Great

The world has often called men “great” – Alexander the Great – Herod the Great. They were great in power, courage, and military or political skill, but they were not great in a spiritual sense.

Jesus is by far the greatest man who ever lived. None less than an angel from Heaven announced, “He will be great” in foretelling His birth. (Luke 1:32)

His birth was the greatest of any man (Isaiah 7:14; Matthew 1:18; Hebrews 1:6)

His life was the greatest ever lived (Hebrews 4:15; 1 Peter 2:22; Philippians 2:8)

His teaching was the greatest of any man (Matthew 7:28-29; John 7:46; Galatians 2:3)

His death was the greatest of any (John 15:13; Galatians 2:20; Ephesians 5:25-27)

How is Jesus great to us? What do we think of Christ? Who is Jesus to us? Does the world rule our hearts? Do our actions reflect our love for him? Do we sacrifice for his kingdom? Who do we truly see as Great?
