

A church attendance numbers fade across the nation and online services become very convenient it's important to remember why church attendance for you and your family matters.

You can't serve from your sofa. You can't have community of faith on your sofa. You can't experience the power of a room full of believers worshiping together on your sofa.

Christians aren't consumers. We are contributors. We don't watch. We engage. We give. We sacrifice. We encourage. We pray by laying hands on the hurting. We do life together.

The church needs you.

And you need the church.
