

Peggy Spinks will be starting cancer treatment tomorrow.

Pennye Johnson's sister, **Vicki Moreno**, went to the hospital in Temple and they found a tumor on her gallbladder. They did find a very rare cancer that attacks the gall bladder, and in her case part of the liver and lymph gland. It is around and may be attached to two veins, one is the main artery. They are doing a scope on Tuesday to see if it has spread. Please be praying that it has not spread and that it is operable.

Pennye's great nephew, **Jeremy Young**, has colon cancer.

Ladies Bible Class will meet tomorrow in the Fellowship Hall at 5pm. Contact **Nicole Berry** with any questions.

This Saturday the 28th will be the Ladies Day at Bangs church of Christ with speaker Cindy Colley. If you are interested in going and carpooling contact **Kayla Easlon**.
